# Miscellaneous Resources

The screenshot displays the AWS Training and Certification Learning Library interface. At the top, the navigation bar includes the AWS logo, 'training and certification', and links for 'Learning Library', 'Certification', 'Support', and 'Partner Training'. The language is set to 'English' and there is a 'Sign In' button.

A search bar on the left contains the text 'Exam Readiness'. Below it, a sidebar lists filters: 'Domain', 'Role', 'Skill Level', 'Language', and 'Digital', each with a plus sign. A yellow arrow points from the search bar to the 'Role' filter. A 'Free Digital Training' button is located at the bottom of the sidebar.

The main content area shows '9 items' under the 'Digital Training' tab. The items are displayed in a grid, each with a title, level, duration, and description. The items are:

- Exam Readiness: AWS Certified Security - Specialty** (E-LEARNING, ADVANCED, 4 HOURS)
- Exam Readiness: AWS Certified Solutions Architect – Professional** (E-LEARNING, ADVANCED, 4 HOURS)
- Exam Readiness: AWS Certified Alexa Skill Builder - Specialty** (E-LEARNING, INTERMEDIATE, 3 HOURS)
